SALON SANTINA'S IS ENLISTING CAPE CORAL WOMEN IN A BLOW DRY BOOT CAMP TO COLLECT DONATIONS FOR ACT (VICTIMS OF DOMESTIC VIOLENCE AND SEXUAL ASSUALT)

CAPE CORAL, FL-Salon Santina's in Cape Coral is partnering with ACT Abuse Counseling and Treatment to assist in their efforts to protect, support and educate victims and children of domestic violence and sexual assault in Lee, Hendry, and Glades Counties.

"We are dedicating the month of September to helping abused women gain confidence in their appearance so that as they start the next part of their journey, they will be set up to succeed on their new path."

Blow Dry Boot Camp will be held at Santina's Salon on Wednesday, September 21st from 5:30pm-8:00pm and is BYOB (bring your own brush and blow dryer). Donate your old styling tools and receive a discount to purchase new ones. Learn to blow dry your hair like the pros, using your own supplies and styling products!

In addition, you can stop in any time to drop off clothing and household items. ACT always needs women's clothing, linens, baby and children's clothing, baby items (toys, bottles, cups, diapers, blankets and other items) toiletries, blankets, bags and shoes.

Salon Santina's will match any amount donated through a salon gift certificate, doubling the donation. ACT will also accept any unredeemed gift certificate that can be used to purchase useful items.

Give a little and get a little, with each donation you will receive a scratch off with a salon product discount as well as a \$5 gift card to be used at Anthony's on the BLVD restaurant in Cape Coral.

You can also visit our [website](#) to participate in our silent auction. Salon Santana will be auctioning off massages, facials, hair care product, color, cut and a special basket.

Owner Sandy Moore believes that “as a salon and a family, it makes us feel strong and united to be able to come together and support our community and give to others the talent that we have been blessed with and pass it on to those in need.”
