

September 2011

NEW! Extended Hours

We are now open to 9pm on Tuesdays and Thursdays.

Helping Abused Women Make a New Beginning

Salon Santina's partners with ACT to help abused women and their children

**PEACE
UNITY
LOVE
FUN**

As a salon and a family, it makes us feel strong and united to be able to come together and support our community and give to others the talent that we have been blessed with and pass it on to those in need.

For the month of September, Salon Santina's is partnering with ACT Abuse Counseling and Treatment to help protect, support and educate victims and their children from Lee, Hendry, and Glades Counties.

If you would like to get involved, stop in any time to drop off clothing and household items. ACT needs women's clothing, linens, baby and children's clothing, baby items (toys, bottles, cups, diapers, blankets and other items) toiletries, blankets, bags and shoes.

-Sandy Moore

Bio Ionic One Pass Hair Straightener

A quick way to straighten curly hair

Florida is definitely is not a friendly state for curly, wavy, frizzy hair.

Natural Ion Therapy will restore manageability and shine to your hair.

The Bio Ionic One Pass Nano Ceramic Straightening Iron is reputed to be the fastest straightening iron on the market.

Coralwood Shopping Mall
2301 Del Prado Blvd.
Cape Coral, FL 33990

We can help these women gain confidence in their appearance so that as they start the next part of their journey, they will be set up to succeed on their new path.

We are blessed to do this every day for our salon guests. It is truly special to be able to create such an impact for women who really need our TLC.

Reserve your spot now! Limited space available. See website our for more details.

Stylist Tip of Month

I recommend to my clients that they alternate between a few different hair products daily in order to keep their hair at its peak performance, to keep it from getting dull or lifeless.

Michelle Rybicki
