**THE OVERWHELMING SUPPORT FROM CAPE CORAL RESIDENTS MADE OUR ACT FUNDRAISER
(VICTIMS OF DOMESTIC VIOLENCE AND SEXUAL ASSAULT) AN EXTREME SUCCESS!**

CAPE CORAL, FL-Last month Salon Santana's in Cape Coral partnered with ACT Abuse Counseling and Treatment to assist in their efforts to protect, support and educate victims and children of domestic violence and sexual assault in Lee, Hendry, and Glades Counties.

"Salon Santana's received 3 truckloads of donations for abused women and their children! We are so grateful for the community's support and care for these women and children who are making a new beginning for themselves."

ACT always needs women's clothing, linens, baby and children's clothing, baby items (toys, bottles, cups, diapers, blankets and other items) toiletries, blankets, bags and shoes.

Owner Sandy Moore believes that "as a salon and a family, it makes us feel strong and united to be able to come together and support our community and give to others the talent that we have been blessed with and pass it on to those in need."
